## TESTING

### Let us help you succeed.

Have you ever wondered if your child has a learning disability or if they are truly depressed?

Parents, your child's school may have a long waiting list for testing services, but at MindWorks Testing, we offer convenient psychological assessments and evaluations that will help determine if your child has a learning disability, an attention problem, or needs to be in a gifted and talented or special education program. To schedule an appointment with one of our certified psychologists or counselors, call 281.480.7554 and press "25" for the appointment book.

### We offer quality testing for:

- Gifted and Talented
- Learning Disabilities and Academic Problems (for 504 Accommodations)
- Career Development
- Test Taking Anxiety
- Cognitive Delays
- Developmental Delays
- Schizophrenia
- Attention Problems
- Depression/Anxiety /Bipolar Disorder

**KRIST SAMARITAN CENTER**  
Touching Lives + Healing Hearts

A program of Krist Samaritan Center, MindWorks Testing pairs high-quality tests with the outstanding counseling the center has provided since 1986. As a not-for-profit, faith-based organization, the center has served more than 40,000 families in more than 22 locations throughout the Houston and Galveston area.
