

**Friendswood High School
Pre-filed Parental Permission Slip**

Dear Parent,

A new rule issued by the Texas State Board of Education requires that a note be on file at the school, signed by the student's parent or guardian, describing the reason for *any* absence, including extracurricular or co-curricular events and activities.

Your child, as a member of an athletic team or school group, may be required to miss class(es) during the year to attend activities or events required by the student's participation in this team or group.

I agree that _____ (child's name), as a member of _____ (team/group), may miss classes(es) during the year to attend activities or events required by the student's participation in this team or group.
