Dear Fellow Friendswood Alum,

What does Friendswood mean to you? If you are anything like us, Friendswood brings to mind thoughts of friendship, good times, sweet memories, a safe place and home. The heart and soul of Fisd has always been its students – both present and past. Fisd has a reputation as a leading school district and always seeks the involvement of alumni and others committed to excellence in education. We are proud to say that all six of our campuses are rated exemplary by the Texas Education Agency.

As a graduate of Friendswood schools, you are automatically a member of the Friendswood Alumni Association and registration is completely free! The Alumni Association wants to serve as a vehicle to keep Friendswood alums connected and updated on Fisd news. Stay in touch with us – we want to hear about you and keep our records up to date.

We encourage you to make plans to attend “A True Blue Evening” on March 7, 2009, at Space Center Houston. Sponsored by the Alumni Association and the Friendswood Education Foundation, this will be the second annual event to honor Friendswood’s Distinguished Alumni with a night of dinner, dancing and fun. Enclosed, you will find a nomination form – please take a moment to honor a fellow alum who deserves recognition. There are so many who merit the honor as a leader, a shining star or a giving heart.

Won’t you join with the Friendswood Education Foundation and the Alumni Association in their dream to transform the future? The Friendswood Education Foundation works tirelessly to enhance educational opportunities in Fisd. We believe that our students are among the most talented and promising of their generation. To help maintain the tradition of outstanding and quality education, the Friendswood Education Foundation needs your financial support; please be generous.

For more information regarding our gala “A True Blue Evening” or to share/update your contact information, please contact us at jevans@fisd12.net or at PO Box 1490, Friendswood, TX 77546. We look forward to seeing you at the event on March 7 and to working with you to keep Fisd a leader in education.

Sincerely,
