Dear Friendswood Graduate,

Are you **true blue**? It's time to think about who you will nominate for the Friendswood Distinguished Alumni Award. The Fisd Education Foundation and the FHS Alumni Association will be hosting *A True Blue Evening* on March 7, 2009, at Space Center Houston. At this event several Friendswood graduates will be presented as Distinguished Alumni.

We need your help in choosing the recipients of this prestigious honor. If you know of a Friendswood graduate who has been a leader, left their mark and/or made a difference to better their profession, their community or society as a whole, please let us know.

We have based some of our criteria on Fisd's Character Counts! program. Character education is being taught at every campus in Fisd to impart values and wisdom that will serve our students well throughout their lives. The six pillars of the Character Counts! program are Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship. As you consider alumni for nomination, please reflect on these pillars with regard to the individual. In addition, a recipient of the Friendswood Distinguished Alumni Award must have graduated at least twenty years ago, so graduates eligible for this year's consideration will be from the classes of 1940 through 1988.

With the wonderful education and foundation that was received from Friendswood Independent School District, we should have no trouble finding many deserving recipients to honor. Please return your nomination to the Friendswood Alumni Association by December 5, 2008. This can be done by mail to PO Box 1490, Friendswood, TX 77549, by fax to 281-648-6667 or by email at jevans@fisdk12.net. We look forward to your support as we pursue this exciting and meaningful honor.
