

FISD ALUMNI ASSOCIATION

Greetings to all graduates and supporters of Friendswood High School!

The FISD Alumni Association has been established for you, the graduates and supporters of Friendswood High School. It is at this time each year that the Association holds its annual membership drive, inviting new members to join and current members to renew.

The primary purpose of the FISD Alumni Association is to raise money for the FISD Alumni Association/Education Foundation Scholarship Fund, which grants scholarships annually to FHS graduating seniors. Membership dues and profits from the annual Fun Run are the primary source of scholarship funding. Other benefits of membership in the Association include receipt of an annual newsletter about our association's activities, current events and happenings within FISD, and highlights on individual classes. It is also a great opportunity to become part of the FISD alumni network!

Please take this opportunity to join the FISD Alumni Association with the application below. Membership is open to all graduates of Friendswood High School and their spouses, former students, teachers and friends of FISD. Your annual membership renewal will help make a difference for those graduating FHS seniors choosing to further their education. We appreciate your involvement and hope we can count on your support!

Very truly yours,
The Executive Committee
