The Friendswood I.S.D. Transportation Department supports the district's educational mission by providing safe, positive, orderly, timely and efficient professional transportation services. The accomplishment of this mission requires the assistance and teamwork of the driver, students, parents and school personnel. The school bus is an extension of the classroom and students shall maintain the same discipline as they would in class. Please review the BASIC BUS RIDER RULES below with your student. For questions or concerns please call the Transportation Department at 281-482-6025.

Thank you,
FISD Transportation Director

**BASIC BUS RIDER RULES**

1. Students should be at their designated bus stop 5 minutes prior to their scheduled pick up time. The driver is on a time schedule and cannot wait for students who are late.
2. Students will only be picked up and/or dropped off at their designated bus stop at or near their residence, grandparent residence within the school zone and licensed child care facility.
3. Students are to sit in the seat assigned by the bus driver.
4. The Transportation Department follows District guidelines regarding use of cell phones and pagers. Use of these devices are not permitted on FISD buses. **See District Cell Phone Policy**
5. Walk as you load and unload the bus.
6. Once on the bus, remain seated facing forward. No standing while the bus is in motion.
7. Talk quietly with students close to you. Yelling across the bus will be a distraction to the driver.
8. Keep all body parts inside the bus. Do not lean out of or stick your head or arms out of the windows.
9. Keep your hands to yourself. No horseplay will be tolerated.
10. Do not throw anything!
11. Food, drinks and gum are not allowed on the bus!
12. Should you be required to cross the street, always cross in front of the bus only after being directed to do so by the driver.
13. ALWAYS OBEY THE DRIVER!

I have read and understand the BASIC BUS RIDER RULES. I will read the detailed rules available on the FISD website at www.fisdk12.net and in the School Handbook.
