

These questions are not for the current Battle of the Books book list. They are however, sample questions from *Elementary Battle of the Books* by Sybilla Cook, Frances Corcoran, Beverley Fannesbeck, and Roz Goodman.

Can you identify the title of the book and the author?

In which book is a character called She-Who-Is Alone?

In which book does the school hire a "thick-skinned" librarian?

In which book are definitions used as borders on each page?

In which book does a character that cares for animals let them out of their cages because he knows what it is like to be in jail?

In which book does a pilot die of a heart attack while flying an airplane?

In which book does a mouse fall in love with the Princess Pea?
